

**Beneath the vast sky's arching dome whispers of magic find their home where fall and winter intertwine hints of both in the air combine. Under the soft celestial gleam, seasons blend in a tranquil stream in this fashion near and far. Do you feel the pull of the season's star?**

### **National Memorials of Washington D.C.**

**On this lifelong learning trip we're going to Washington D.C.! We're going to visit select national memorials located around the National Mall and see where the three branches of the U.S. government resides.**

### **Prisoners of War Speaker**

**Bob Block, who is a member of the Oregon Area Historical Society will give a presentation on prisoners of war camps in Wisconsin. Most people are unaware that Wisconsin had POW (Prisoners of War) camps during WWII and are surprised to learn that there were 39 of them having a total of approximately 20,000 POWs. This presentation will give an overview of US POWs camps and Wisconsin POW camps. This presentation tells interesting stories of those who may have lived in a community that had a POW camp, those who worked side by side with POWs and those who were once prisoners in a POW camp.**
