

**February comes with a quiet grace, Winter's beauty still in place.
Snowy mornings and skies so clear, A month that whispers "spring
is near". Valentine hearts and love to share, family bonds and
friendships rare. With violets, primroses, amethyst's hue, February
shines, both old and new**

Jeni

Community Life Director

After observing and "getting my feet wet" at Kettle Park for the last month, I see what a vibrant community this is. I love seeing all of the participation at entertainment, speakers, outings, socials, exercise, etc. I also can't wait to introduce some new programs too. Our community life team is always open to new ideas! Please take time to check out the Spark events on Tuesdays and Thursdays in the community room. We are having lots of fun but need more participants. You can even just come and observe! Go Parrots (Our team name!!)

Katie

Culinary Director

Hi! Im Katie Johnson, the new Culinary Director at Kettle Park. I was born and raised in Southern Wisconsin and went to college at UW Eau Claire before moving to Phoenix, Arizona. In Phoenix, I attended the Scottsdale Culinary institute. I am an avid sports fan, and a huge fan of the Milwaukee Brewers. My hobbies include going to sporting events, traveling, having game nights with family and friends, practicing yoga and of course cooking! I'm looking forward to creating new food items for everyone to enjoy!
