

Summer Safari

A Summer Safari in Africa

Take an open jeep ride.

Watch for the African animals
that sometimes hide.

The elephants are not hard to find.

Look for them at the waterhole
where they often dine.

Beware of the lions that sometimes
chase after the jeep.

But mostly they're lying in the sun,
they love to sleep.

There is so much to see
so just enjoy the ride.

While we're just stepping into spring, we're proud to share this summer-inspired poem written by one of our own residents. A lovely glimpse of sunshine and the creativity in our community. .

Happy Birthday!

From Chaplain Ann

My first few weeks at Kettle Park were rewarding, exciting and, at times, a challenge as I learnt the cadence of the facility and how Spiritual Care can serve the community. I have appreciated every resident who has welcomed me, and answered my many, many questions along the way. The memories of these first few weeks will include my time in Memory Care, the Spark Challenge (and a mighty challenge this facility did give the other facilities in the challenge), the morning Coffee Clutch, and Friday afternoon services (as those who attend will know, I have attempted to make many improvements in the sound and technology). As I get to learn your names, I thank you for your patience in having to reintroduce yourselves and your gracious welcome into your community. I welcome suggestions for additional activities that will enhance your spiritual lives or modify what we are offering today; I will also be seeking the input from those who are currently attending the events that are offered.

You have reminded me of a Henri Nowen quote that I dearly love relative to living in community:

“However, community is first of all a quality of the heart. It grows from the spiritual knowledge that we are alive not for ourselves but for one another. Community is the fruit of our capacity to make the interests of others more important than our own. The question, therefore, is not ‘How can we make community?’ but ‘How can we develop and nurture giving hearts?’”

I look forward to the future with this community and each of you. Blessings.
